

The Britannia Association

THE RAG
ARMY & NAVY CLUB

Who We Are

“The Rag was established in 1837 as a military club and nearly 200 years later, it is still one of London’s most prestigious private members’ clubs. We welcome both ladies and gentlemen to join and be part of a community that is grounded in military values. We offer a place in the heart of St James’s to reunite, as well as to form new friendships.”

*Major Frank Froud,
Chair, The Rag – Army and Navy Club*

The Britannia Association

“We are proud to have ongoing relationships with a number of associations across the country. They share our values and have likeminded members who wish to be part of the Club’s military community. With its mission to ensure a network of communication, maintain members’ ties with the Royal Navy and create events that reinforce bonds, we are delighted to have a special relationship with
The Britannia Association.”

*Elisa Grimaldi,
Membership Secretary, The Rag – Army and Navy Club*
